

↳ Taking on the 9th floor of their existing building gave Macmillan the chance to start from scratch

**A blank canvas**

**Intelligent division of space and storage density were important factors in the project and JS provided the solution using Storgewall in its many formats**

↳ Open space layouts saw change to an organic and flexible system -

**S21 Intrigue by Senator**

**Workstations combining softer shapes with a contemporary aesthetic provided an invigorating and fresh approach to the office environment**

**The Macmillan remit demanding intelligent division of space plus high density headcount and storage whilst retaining a modern and open workspace was realised by JS working closely with the clients fit-out contractor**

**Macmillan Cancer Relief**
